Biographical Note

Raymond F. Vigue was born in Winslow, Maine in 1913. He began work for Hollingsworth and Whitney Co. in 1927. He was employed there until 1951. In 1951, he went to work for Mack Trucks designing highly specialized heavy duty trucks and trailers utilized in off-highway operations. He worked there until 1961 when he was employed by the Maine State Highway Commission as an equipment engineer. In 1967, he was promoted to Director of Motor Transport Service. He retired in 1978, but was a consultant for many firms until January 1998.
